About This Game

Kickshot is a first-person speedrunning game in which you utilize your tools, environment and movement abilities to complete the course as quickly as possible. Speed through the Floating Island, and Desert Wasteland levels. Use unique movement and knowledge of the courses to achieve the greatest time.

Play as Ace and rush through the environment to retrieve your lost acorns. This is Kickshot!

Key Features

Rocket Launcher: Shoot the ground and launch yourself towards victory!

Grappling Hook: Launch a grappling hook onto objects overhead and swing forward over large gaps.

Special Movement: Run along walls, dash, bunny-hop, and exhaust-boost with the rocket launcher to achieve victory

Local Leaderboards: Compete against yourself or friends for the fastest time within each level.
